Biophotoncolorado.com

A safe, non-invasive therapy which benefits adults, children and animals with a wide range of health issues. Every cell has its own light emissions called biophotons. A biofeedback device checks the quality of light your cells emit, finding and removing disturbances on the energetic body, addressing the cause at root level, balancing organs and activating self-healing. If you have health concerns and have tried conventional medicine without much success, Biophoton Therapy may be the answer for you.
