Bring Harmony and Balance to You and Your Community

Light-Life® Harmonizers® pull in negative energy and transform it into positive energy by generating a spherical light field which seems to raise consciousness.

They are designed and reported to:

- Protect our own energy field
- Bring balance to our personal lives
- Reduce the intensity of storms
- Stimulate plant growth
- Help with air pollution clearing
- Encourage harmony in communities
- Minimize the effects of Electromagnetic Fields
- And much more...

Available in Six Sizes from Personal Pendants to Larger Units for the Home/Environment
