

Tools to Navigate the New Economy

New Economics Foundation: The Great Transition

NewEconomics.org

Browse *NewEconomics.org/sites/neweconomics.org/files/Great_Transition_0.pdf*.

This independent think-and-do-tank inspires and demonstrates real economic well-being.

The Economics of Happiness: Building Genuine Wealth

GenuineWealth.net

Author Mark Anielski maps how to measure genuine wealth and create flourishing economies grounded in people's well-being.

Transition United States: Transition Towns

TransitionUS.org

Participants in this vibrant, grassroots movement seek to build community resilience in the face of challenges such as high oil prices, climate change and economic crises.

Sustainable Seattle: The Happiness Initiative

SustainableSeattle.org

Founders provide tools to comprehensively assess well-being, involve citizens and inspire people, organizations and policymakers to take action.

World Café:

Real Conversations for a Better World

TheWorldCafe.org

This application of powerful social technology helps engage people in conversations that matter, offering an effective antidote to society's fast-paced fragmentation and lack of connection.

Living Economies Forum: Agenda for a New Economy: From Phantom Wealth to Real Wealth

LivingEconomiesForum.org

"The old economy of greed and domination is dying. A new economy of life and partnership is struggling to be born. The outcome is ours to choose."

~ Author David Korten
